Right To Life UK has launched its 2021 Welsh election campaign - Vote For Both Lives - a major initiative that will run throughout Wales in the lead up to the Welsh election on 6 May.

The main goal of the campaign is to get as many people as possible to ask their MS candidates to sign the Both Lives Pledge designed to increase protection for babies in the womb, end pregnancy discrimination for women and stop DIY abortions - policies that will save lives by protecting and supporting both mother and child.

Right To Life UK has set up an easy-to-use tool that members of the public can use to contact their local candidates and ask them to sign the pledge.

You can do so by visiting
